

# ABBAcide

Ready-to-use product

- ▶ **Insecticide and mite repellent treatment for material and absorbing cloth surfaces.**

## DESTINATION

**ABBAcide** is ready to use and it has been specially designed to treat materials such as curtains, covers and other upholstery material (carpet, tapestry,...)

**ABBAcide** allows to paralyse the nervous system of insects which have settled on upholstery material.

**ABBAcide** does not present any danger for humans and hot blood species in normal conditions of usage.

## SCOPE OF USAGE

**ABBAcide** can be sprayed on a basis of 1 litre for approximately 10 m<sup>2</sup>.

**ABBAcide** does not alter the treated surface. However a test sample application on a non visible part is advised for sensitive and delicate materials.

Once applied, **ABBAcide** is a stable to light. Its efficiency can be neutralised in the event of washing the material with detergent.

The life span of the effect of **ABBAcide** is of several months (for inside conditions).

## PACKAGING

- 2-litre bottle
- 10-litre bottle
- 25-litre drum
