

ABBAclean Plus

Ready-to-use product

▶ Restores walls and roofs with its rapid anti-cryptogammic action

▶ DESTINATION

ABBAclean Plus is a ready-to-use product designed to quickly restore surfaces which are encrusted with dirt and micro-organisms.

ABBAclean Plus's curative action results in the destruction of the cryptogams in a few minutes.

ABBAclean Plus can be easily applied with a spray on a basis of approximately 5 m² per litre.

▶ SCOPE OF USAGE

ABBAclean Plus can be used on most surfaces such as walls and roofs in need of a rapid restoration.

Roofs : terracotta tiles, slate, fibrocement, or other natural absorbent material

Walls : renderings, roughcasts, stone and brickworks, ...

Others : patios, monuments, ...

▶ PRESENTATION

ABBAclean Plus is an alkaline and aqueous product.

ABBAclean Plus needs to be rinsed off immediately after its leave-on action time.

It is advised to take necessary precautions while applying **ABBAclean Plus** to protect sensitive surrounding materials and vegetation.

▶ HOW TO APPLY

ABBAclean Plus can easily be applied with a spray or a brush.

ABBAclean Plus must be applied onto dry or slightly damp surfaces.

Leave **ABBAclean Plus** on for about 10 to 20 minutes, then rinse off with a high pressure water system, or even better with a steam system in order to evacuate the micro-organism residues and the excess of product.

▶ PACKAGING

- 2-litre bottle
- 10-litre bottle
